

Jefferson Elementary School Property - Community Survey

At Town Meeting 2018, the School Ballot votes resulted in Jefferson students being absorbed into the White Mountain Regional School District, ultimately closing the school building.

The Town of Jefferson Selectboard is in the early stages of compiling options for the school property located at 178 Meadows Road (NH 115A) and is **interested in your opinion**. Please take a few minutes to complete the survey below.

Your responses will be confidential, however there is an identification number on the upper-right hand corner only to help us confirm that you have responded so you won't be contacted with follow-up mailings.

Please complete the survey and **return it by mail or drop it off** at the Jefferson Town Office.

Thank you for your time, we are grateful for your participation in this process.
