The Board reviewed an email from Roy Parkhurst, president of the Jefferson OHRV Club. The Club are asking the Selectmen to hold a public hearing to approve the trail system that the Club is proposing. After some discussion the Selectmen decided that the Club needed to hold an informational meeting to inform the public of their intent before an hearing is held. The public needs to see and hear what the intent is so to have a chance to digest the proposal and comment on it as do the Selectmen. The Selectmen do understand that the Club would like to have a decision by March 15, 2016 to meet the deadline given them. The Selectmen would like the Club to include Commissioner Rose of DRED, Chris Gamache from the Bureau of Trails as well as NH Fish and Game to give the public as much information as possible regarding opening up Town and State roads for trail use. After the Club holds a informational meeting and the public has been given some time to consider the proposal the Selectmen will hold a hearing and make a decision. Linda was asked to draft a letter and the Board would sign it Tuesday.
