

Jefferson Conservation Commission
Minutes
18 March 2025
Jefferson Community Center
178 Meadows Rd
Jefferson, NH 03583

1. Called the Meeting to order with a quorum of Jamie Savage, Nancy Decourcey, and David Govatski present.
2. Approved the February Minutes with no changes.
3. Old Business:
 - a. Carter Cut – Israel River Update: Jamie has been doing deed research.
 - b. PV Solar Grant Update for our municipal system. The application process is ongoing. Dave will check with Amanda on the status.
4. Emerald Ash Borer discovered on one white ash in Jefferson on US 2 near Jamie's home. Dave will ask for advice on having the DOT cut it down and chip it to prevent spread.
5. Payment in Lieu of Taxes on Federal and State Conservation Lands in Jefferson. Dave suggested we include the payment in lieu of taxes and revenue sharing for conservation lands in the town in the annual Conservation Commission report. This question was brought up at the town meeting, and we believe it would be useful information for our citizens.
6. No new business, and the meeting adjourned at 7:40 pm.
7. The next meeting will be on Tuesday, 15 April 2025.
